ORDER:

In the reference read above, the Engineer-in-Chief (R&B), State Roads, Hyderabad has stated that the Madakasira – Amarapuram road is an important Major District road connecting Assembly Head quarters Madakasira with mandal head quarters Gudibanda, Amarapuram and 14 Villages. It also connects famous pilgrim centre Hemavathi, and 12 roads are deviating from this road to different villages. This is the most important road that runs through the heart of Madakasira constituency and traffic on this road is high and the Present CVPD is 367.

2. He has further stated that Amarapuram – Sira State Border road is also an important Major District road and starts at Km 41/2 of Madakasira – Amarapuram road and connects Amarapuram with Karnataka State. These two roads together form an inter State road namely Madakasira – Amarapuram- Sira State Border road. After 5.0 Kms from A.P.Border, this road gets divided into two roads. One road goes to Sira and joins NH-14 which is a State Highway in Karnataka. The other road goes to Hirayur and joins NH-4 which is a major District road in Karnataka. These two roads have single lane / Intermediate lane and double lane at different stretches. At present Karnataka Government has proposed to improve the State highway which connects Sira to 10.00 mts carriageway under KSHIP. Madakasira, Gudibanda, Amarapuram and Sira and Hariyur in Karnataka are big Market centres. Most of the pilgrims coming from Tumkur District to famous pilgrim centre Pavgada will pass through this road up to Madakasira and then proceed to Pavgada on Kalyandurga - Madakasira road. The proposed two roads lie in rolling terrain. Due to this, berms are being eroded even for small rains. Because of this vehicular traffic is experiencing lot of difficulty while crossing and overtaking. Two wheelers are meeting with accidents very frequently. Hence to avoid inconvenience to the traffic and to avoid accidents and to have two lane continuity up to Pavagada, it is necessary to improve the roads by widening the carriageway of Madakasira – Amarapuram road from Km 2/0 to 10/0, 13/4 to 37/650 and 41/600 to 42/0 and Amarapuram–Sira State Border road from Km 0/0 to 5/6.

3. The Engineer – in – Chief (R&B) State Roads, Hyderabad while submitting the proposal for the subject work has certified that the Stage-I approval is not required as detailed investigation completed and designs are finalized and no land acquisition and shifting of utilities are required for taking up the subject work. He has, therefore requested to accord administrative sanction for Rs.38.00 Crores for the work “Improvements to road from km 2/0 to 10/0 & 13/4 to 42/0 of Madakasira – Amarapuram road and Amarapuram to Sira State Border road from Km 0/0 to 5/6 in Anantapur District” under PLAN MDR Scheme.
